

Diagram illustrating a tournament bracket structure, likely for a chess competition, showing the progression of players through rounds.

The diagram is divided into two main sections by a vertical line. The left section shows the progression from 16 players to 8, then to 4, then to 2, and finally to the winner. The right section shows the progression from 8 players to 4, then to 2, and finally to the winner.

Left Section (Progression from 16 to 2 players):

- Round 1: 16 players (represented by 16 small squares) are grouped into 8 pairs.
- Round 2: 8 pairs are grouped into 4 groups of 2.
- Round 3: 4 groups of 2 are grouped into 2 groups of 4.
- Round 4: 2 groups of 4 are grouped into 1 group of 8.

Right Section (Progression from 8 to 1 player):

- Round 1: 8 players (represented by 8 small squares) are grouped into 4 pairs.
- Round 2: 4 pairs are grouped into 2 groups of 2.
- Round 3: 2 groups of 2 are grouped into 1 group of 4.
- Round 4: 1 group of 4 is grouped into 1 group of 8.

Final Results:

- Winner: Sulaček/Feriančík
- Runner-up: Sudra/Boroš
